

IMPLEMENTING A MEANINGFUL FOLLOW-UP PROCESS FOR MANDATORY PROGRAM ATTENDANCE

KARI MANSAGER, CARE DIRECTOR
TAYLOR FUGERE, CARE PROGRAM COORDINATOR
DALLAS CARTER, RESIDENCE LIFE COORDINATOR

INTRODUCTION

- Mandatory Sexual Violence Prevention Programming at UC
- To Reg Hold or Not to Reg Hold...
- Over the last 3 years, 6-13% of non-attendees are not here in Spring
- Two Goals: 1. Student attendance at program and 2. Student Retention

METHODS

- Meeting between CARE, Housing, and Bright Success to develop meaningful follow-up strategy
- Divide non-attendee list into on-campus (67) and off-campus (76)
- Created follow-up “script” and make-up opportunities for RA’s to use with on-campus non-attendees and CARE staff to use with off-campus non-attendees
- Provided make-up opportunities

RESULTS

- Following-up with non-attendees led to about 2.3% more students attending a mandatory program compared to 2015.
- 100% of the students who were followed up with by Housing Staff attended a make-up program and remain at UCM.
- 100% of the students who no longer remain at UCM lived off-campus.

PERCENTAGES OF STUDENTS ATTENDING

DISCUSSION/NEXT STEPS

- Follow-up increased number of attendees
 - We plan to continue this next year
- Win/Win for on-campus students: Higher retention rates for students living on-campus and opportunity for Res Life staff to connect
- Mandate confusion
- How do we better reach off-campus students?
 - Re-think our follow up with this population
 - Identify support staff for off-campus students
